

[Opening song to the tune of "Chim Chim Cheree" from Mary Poppins](#) - Dm

Breeze from the *blech*, our *havdalah* is done  
Believe it or not, the *Purim Shpiel* has begun  
Der *gantze Megillah* is what lies in store  
Only ten chapters long, we'll be begging for more

chorus:

Pu pupupu, pu pupupu, pu *Purim Shpiel*  
We drink and we dance 'til our heads we can't feel  
Pu *Purim Shpiel*, Pu *Purim Shpiel*, pupupupu  
In our gorgeous new Smith, with our fine Adas crew  
One Persian diversion per year, that will do

verse:

Back when the Torah had almost run out  
King Achashverosh gave a pretty loud shout,  
"Find me a queen who is lovely and built,  
With a heritage that wouldn't fill me with guilt."

Chorus:

Pu pupupu, pu pupupu, pu *Purim Shpiel*  
The King claimed that Haman's cruel plans could congeal  
Pu *Purim Shpiel*, Pu *Purim Shpiel*, pupupupu  
Dear Mordechai always knew just what to do  
Will Queen Esther reveal that she's really a Jew?

Ryan Seacrest: And now, back to Adas' Got Talent! [music sting]

Haman: Am I up yet?

Ryan: Yes sir, it's your turn.

Haman: Excellent, because I really really don't like certain people in this room.

Ryan: Well, that's unpleasant.

Haman: That's me!

Ryan: Tell us about your act.

*Haman says whatnot.*

Ryan: OK, Persia, get ready for greatness.

*Haman does his act.*

Ryan: Extraordinary effort. Judges?

Achashverosh: [to both] Don't bother. [to Ryan] I liked most of parts of it. He's got a certain kind of thing going for him.

Ryan: Ooh, mysterious words. Doesn't sound like the King was a huge fan of your act.

Haman: I guess I shouldn't have cut the part about the extermination of the Jews.

Ryan: Excuse me?

**It's Time for the Purim Shpiel** ["Thank G-d I'm a Country Boy"]

V1:

Back in the fourth century B-C-E  
Was a pretty good time in our folks' history  
Little did we know just how bad it could be  
It's time for the Purim shpiel!

Achashverosh was king over all of the land, A hundred  
twenty seven states ate out of his hand  
But he booted out his queen when she tried to make a stand  
It's time for the Purim shpiel!

Chorus

Well, I got me a Haman, I got Achashverosh  
And Mordechai's story is one that I cherish  
But it's Esther's megillah, without her we woulda perished  
It's time for the Purim shpiel!
